FURTHER RETURNS

FROM THE WATERLOO DEFEAT TO REPUBLICANISM.

As Recorded by the Election of Last Tuesday.

RICHMOND, VA., November 9 .-Nothing more definite has been received as to the election in Virginia than was embodied in vesterday's dispatches from here. It is impossible to hear from remote counties in the first and ninth districts. Large Democratic gains are reported in the latter, but not enough to elect Fulkerson over Bowen (coalitionist). The first district is very close and tween Garrison (Dem., and Mayo (Coalitionist). In the seventh district the official vote will be re-(Dem.), and Paul (Coalitionist). SYMPTOMS OF A DISEASED LIVER. BYMPTOMS OF A DISEASED LIVER.

Bad Breath; Pain in the Side, sometimes the pain is felt under the Shoulder-blade, mistaken for Rheumatism; general loss of appetite. Bowels generally costive, sometimes alternating with lax; the head is troubled with pain, is dull and heavy, with considerable loss of memory, accompanied with a painful sensation of leaving undone something which ought to have been done; a slight, dry cough and flushed face is sometimes an attendant, often mistaken for consumption; the patient complains of weariness and debility; nervous, easily startled; feet cold or burning, sometimes a prickly sensation of the skin exists; spirits are low and despondent, and, although satisfied that exercise would be beneficial, yet one can hardly summon up fortitude to try it—in fact, distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred when but few of them existed, yet examination after death has shown the Liver to have been extensively deranged.

It should be used by all persons, old and young, whenever any of the above symptoms appear.

Persons Traveling or Living in Un-healthy Localities, by taking a dose occasion-ally to keep the Liver in healthy action, will avoid all Malaria, Billous attacks, Dirziness, Nau-sea, Drowsiness, Depression of Spirits, etc. It will invigorate like a glass of wine, but is no in-toxicating beverage.

Simmons Liver Regulator has been in use in my family for some time, and I am satisfied it is a valuable addition to the medical science.

J. Gill Shortes, Governor of Ala.

Hon. Alexander H. Stephens, of Ga., says: Have derived some benefit from the use of Simmons Liver Regulator, and wish to give it a further trial.

"The only Thing that never falls to Relieve."—I have used many remedies for Dyspepsia, Liver Affection and Debility, but never have found anything to benefit me to the extent Simmons Liver Regulator has. I sent from Minnesota to Georgia for it, and would send further for such a medicine, and would advise all who are similarly affected to give it a trial as it seems the only thing that never falls to relieve.

P. M. Janner, Minneapolis, Minn.

Dr. T. W. Mason says: From actual experience in the use of Simmons Liver Regulator in my practice I have been and am satisfied to use and prescribe it as a purgative medicine.
